

APPENDIX C
For Full Council 17.2.15

Lichfield District Council
Schedule of Proposed 'Other' Modifications
to the Local Plan: Strategy

(Please read this in conjunction with the Proposed Main Modifications, contained within a separate schedule)

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
Chapter 1: Introduction					
M1	6	1.12	2nd sentence: The Strategy establishes a long-term strategy to manage development, provide services, deliver infrastructure and create sustainable communities.	Repetition	Lichfield District Council
M2	6	1.15	First sentence: The General Policies section contains section contains broad policies, known as Core Policies.....	Typo and clarity	Lichfield District Council
M2a	4,6	1.1, 1.16-1.24	Delete all references to the Proposed Submission Local Plan and replace with updated status i.e. adopted Local Plan, date adopted and reference to the Adoption Statement in line with the Regulations.	To reflect status of the Plan and comply with Regulation accordingly.	Lichfield District Council
Chapter 2: Spatial Portrait					
M3	13	2.11	Last sentence: The Midlands Plateau Integrated Biodiversity Delivery Area has also been identified as a major regional project area that extends from Cannock Chase to Sutton Park is the subject of on-going work and many projects, some of which cover a wide area which are aimed at promoting the improved management of lowland heathland and enhancement of the area for heathland.	Minor change to ensure the detail reflects current circumstance.	Staffordshire County Council LPSPS310
M3a	13	Table 2.1	<i>Update figures within Table 2.1 to use 2011 census data.</i>	Minor change to ensure the latest census data is used within the Spatial Portrait.	Lichfield District Council
M3b	13	2.14	Amend text: The 2010 Mid-Year Population projections estimate that Lichfield District's population has grown to 98,700, The 2011 Census shows Lichfield District's population has grown to 100,654 from 93,232 as recorded in the 2001 census, this equates to an increase of 5,468 7,422 people (5.7% 7.9%). Figures show that 20% of the District's population is within the Older People category and 47.8% 17.5% is under 16 years of age.	Minor change to ensure the latest census data is used within the Spatial Portrait.	Lichfield District Council
M3c	13	2.15	Amend text: In terms of the working age population for Lichfield District, in 2010 2011 this was 62.2% 62.4% , compared to 63.5% 63.6% for the West Midlands as a whole and 64.8% for England.	Minor change to ensure the latest census data is used within the Spatial Portrait.	Lichfield District Council
M3d	13	2.16	Amend text: (96.6% 94.6% of the population according to the 2004 2011 Census).	Minor change to ensure the latest census data is used	Lichfield District Council

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
				within the Spatial Portrait.	
M4	16	2.26	<i>2nd sentence:</i> The economic downturn (2008-2012) is showing an impact within the District as unemployment within Lichfield District stood at a rate of 5% in June 2011. This is slightly lower than....	Grammatical clarity.	Lichfield District Council
Chapter 3: Vision & Strategic Priorities					
M5	18	Vision	<i>1st Para:</i> People will be able to access quality homes , local employment.....	Minor change for clarity and consistency.	D&S Froggatt & H Reynolds LPSPS487
Chapter 4: Spatial Strategy					
M6 (see M6a)	23	Map 4.1	<i>Show proposed restored Lichfield Canal route up to the District boundary (with Walsall Borough).</i>	Minor change to map to be consistent with other maps & key diagrams.	Inland Waterways Association LPSPS397
M6a	23	Map 4.1	<i>Add entire length of the canal to the map (diagrammatic). Key: Proposed Restored Lichfield Canal Route Route for a Restored Lichfield Canal</i>	To reflect the agreed revisions	MMI-40 Lichfield District Council Matter 1 Hearing Statement and MMI38 Matter 1 (iv) Walsall Council. Proposed Modifications agreed with Lichfield District Council, Walsall Council, Lichfield and Hatherton Canal Restoration Trust (LHCRT), Canal River Trust (CRT), Environment Agency, Natural England
M6b	24	CP1	<i>Penultimate para on page 24:</i> Fradley will remain a focus for employment, but will also play a major role in meeting rural housing need...	To reflect the agreed revisions (hearing sessions)	Raised via several Matters.
M6c	25	CP1	<i>4th full paragraph:</i> The District's significant high quality' Significant assets include..... The National Memorial Arboretum Drayton Manor Park, the restoration of the Lichfield Canal the Central Rivers Area and the green infrastructure	To reflect the agreed revisions	MMI-40 Lichfield District Council Matter 1 Hearing Statement and MMI38 Matter 1 (iv)

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
			corridor which forms the line of the route for a restored Lichfield Canal.		Walsall Council. Proposed Modifications agreed with Lichfield District Council, Walsall Council, LHCRT, CRT, Environment Agency, Natural England
M6e	25	CP1	1st complete para: Land to the North of Tamworth will assist in delivering further homes, in part, to meet the needs arising from within Tamworth's local housing market. However, the release of land to the north of the Anker Valley will be dependent on essential infrastructure being delivered at an appropriate stage land being developed within Tamworth Borough first and key infrastructure being delivered within the Anker Valley.	To reflect the agreed revisions and to bring policy in line with modifications to Policy: North of Tamworth (hearing sessions)	North of Tamworth Matter Friday 28 th June
M6f	26	Footnote xv	50% to assist in meeting Lichfield District's needs and 50% 500 to assist in meeting needs arising within Tamworth Borough.	To reflect the agreed revisions (hearing sessions)	North of Tamworth Matter Friday 28 th June
M6g	28	4.10	End of paragraph add ' and this exercise will be undertaken at Local Plan Allocations Stage '	For clarification	Lichfield District Council
Chapter 5: Sustainable Communities					
M8	32	CP2	<i>Addition of text to end of Policy CP2:</i> Where there are no policies relevant to the application or relevant policies are out of date at the time of making the decision then the Council will grant permission unless material considerations indicate otherwise – taking into account whether: Any adverse impacts of granting permission would significantly and demonstrably outweigh the benefits, when assessed against the policies in the National Planning Policy Framework taken as a whole; or Specific policies in that Framework indicate that development should be restricted.	Minor change to ensure conformity with the NPPF.	Lichfield District Council and several representors.
M9	32	CP3	1st Para: All development will be required The Council will require development to contribute to the creation and maintenance of sustainable communities, mitigate and adapt to	Minor change to clarify policy wording.	Lichfield District Council

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
			the adverse effects of climate change, make prudent use of natural resources, reduce carbon emissions, enable opportunities for renewable energy and help minimise any environmental impacts. To achieve this, all development should address the following key issues:		
M10	32	CP3	<i>6th bullet point:</i> give priority to encourage the re-use of previously developed land in the most sustainable locations, and encouraging the reuse of buildings as a sustainable option;	Minor change to ensure conformity with NPPF wording.	Various: LPSPS 367, 485, 748, 770, 804, 830, 853, 875, 973, 1005, 1038, 1039
M11	33	CP3	<i>Last bullet point:</i> facilitate energy conservation through energy efficiency measures as a priority and the utilisation of renewable energy resources wherever possible , in line with the energy hierarchy set out in the explanation below where feasible.	Minor change to allow for flexibility in line with the NPPF.	Miller Homes LPSPS973 & Persimmon LPSPS1005
M12	32	5.6	<i>2nd sentence:</i> Core Policy 3 underpins the Local Plan and sets out the principles against which all development proposals will be assessed.	Minor change for clarity.	Lichfield District Council
M13	33	5.8	<i>From 2nd sentence:</i> Adequate housing provision will encompass a wide range of house types..... as well as homes that are of a high quality design and utilise sustainable construction techniques. Promoting social cohesion and inclusion can be influenced by a variety of factors not just employment and housing opportunities. These include ensuring access to services and facilities such as healthcare, recreation, leisure and cultural pursuits, open spaces and green networks, as well as through greater community engagement and participation.	Minor change – grammatical.	LPSPS508
M14	34	5.10	<i>2nd sentence:</i> This approach is fundamental to the emerging Joint Waste Core Strategy 2010-2026 for Staffordshire and Stoke-on-Trent Joint Waste Local Plan 2010-2026.	Minor change – update.	Lichfield District Council
M15	34	SC1	<i>3rd para:</i> The Council will encourage All new residential development will be required to examine how it could attain the maximum carbon targets.	Minor change to ensure conformity with the NPPF.	Lichfield District Council
M15a	34	SC1	<i>2nd para:</i> All New development will be expected to achieve the	Minor change – consistency	Lichfield District Council

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
			minimum carbon reduction standards as set out in the following carbon targets framework, unless it can be demonstrated that this is not viable:		
M15b	35	SC1	6th complete para: All new development will be required to consider The Council will encourage the incorporation of a proportion of energy generated from low carbon or zero carbon (LZC) energy generation sources.	Minor change to ensure conformity with the NPPF.	Lichfield District Council
M16	34	SC1	<i>Table: Remove rows relating to years 2008 and 2010</i>	Minor change, these occur in the past so will not be applicable to new policy.	Lichfield District Council
M17	35	SC1	Penultimate para: The District Council is developing a Carbon Investment Community Fund (CIF) (CCF) which will support the achievement of carbon targets through financial contributions. The CIF- CCF will support the implementation of off-site carbon reduction measures, which will assist in meeting the appropriate carbon standards, where on site measures are not achievable, with further detail on this to be developed through the Infrastructure Delivery Plan (IDP). Last para: With regard to the management of water resources from 2008 onwards all new residential development should seek to achieve Level 4 of the Water section of the CSH.	Minor change to clarify and update policy wording and delete superfluous text.	Lichfield District Council and Pegasus LPSPS974.
M18	36	5.13	The District Council supports the Government target of at least an 80% reduction in greenhouse gas emissions by 2050, and of at least 34% by 2020 (against a 1990 baseline), as headlined in the Climate Change Act of 2008. As recent data shows, CO2 emissions in Lichfield District, although increasing between 2005-2007, showed a decrease from 8.6 thousand tonnes in 2008 to 7.8 thousand tonnes in 2009. The District Council has aligned its carbon reduction targets with those already set at a national level through the Climate Change Act 2008. However, the District Council does not have data for 1990 and so has used 2009-2010 recorded emissions as a baseline, setting an interim target of a 33.37% reduction over the next 10 years, which equates to a reduction of 3.34% per year. In 2010 District wide emissions were 714,800 tonnes of carbon and thus a reduction of	Minor change to clarify carbon reduction targets.	Lichfield District Council

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
			3.34% would equate to a reduction of 23,874 tonnes. As recent data shows, although CO2 emissions in Lichfield District have decreased by 7.4% overall and by 10.7% per capita between 2005-2010, significant further reductions will be needed in order to achieve the targets set.		
M19	39	5.25 and map 5.1	For wind energy, scenarios modelled within the study, have identified that six turbines could be installed within the District, which would generate 21% of the modelled renewable energy in 2020. The study has identified six individual sites of greatest opportunity for wind development, considered to have the capacity for three or more large scale turbines scale turbines at these sites, as shown on the map below: set out in the Staffordshire County-wide Renewable/ Low Carbon Energy Study. (<i>hyperlink to be added into document</i>).	Minor change to provide link to evidence base (See Main Modification MM3 – sites identified as having the greatest opportunity for wind energy development to be added to Policies Map).	LPSPS399 & LPSPS533 LPSPS531
M20	40	Local evidence base	Staffordshire County Council and Stoke-on-Trent City Council draft Joint Waste Core Strategy (August 2010) Staffordshire and Stoke-on-Trent Joint Waste Local Plan 2010-2026.	Minor change - update.	Lichfield District Council
Chapter 6: Infrastructure					
M21	41	6.1	<i>Third bullet point, 2nd sentence:</i> It can include the provision of community facilities (education, health care, retail, community centres, places of worship , sports & leisure facilities)...	Minor change – provide a wider range of infrastructure types to reflect community need.	Grosvenor Hall Trust LPSPS450
M22	44	Local evidence base	<i>Add hyperlink to the IDP</i>	Typo – link missed out	Lichfield District Council

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
Chapter 7: Sustainable Transport					
M23	45	7.2	There are current transportation strategies for the District that are aimed at delivering the above objectives through sustainable transport systems (<i>delete following footnote</i>) Staffordshire Local Transport Plan 3 (LTP3) 2011-2026 & Draft Lichfield District Integrated Transport Strategy 2011. An Integrated Transport Strategy was developed by Staffordshire County Council in 2011 for Lichfield District to help inform the delivery of the Staffordshire Local Transport Plan 2011-26. It includes Local Transport packages for south Lichfield, east Lichfield (including Fradley) and Burntwood. The Local Plan builds upon these strategies and will consider how these address the longer-term needs of the District. The policies and proposals for the Local Plan have taken account of issues concerning how people travel at present and needs arising from new development, in particular from housing and employment growth. The Local Plan seeks to guide future investment in sustainable forms of travel.	Minor change to clarify how the Integrated Transport Strategy has informed the Local Transport Plan.	Staffordshire County Council LPSPS294.
M24	45	7.3	<i>3rd sentence:</i> The Transport Appraisal of the Preferred Option for Lichfield City and the Transport Appraisal of the Preferred Options for Burntwood Town demonstrate considered how growth in particular locations could be satisfactorily assimilated into the settlements and how existing strategies need to be revised, with new schemes to provide sustainable transport facilities and accommodate traffic where necessary. The transport strategies contained within the Transport Appraisal reports will be revised and included in the next review of the Lichfield District Integrated Transport Strategy.	To clarify how the Transport Appraisals relate to the Lichfield District Integrated Transport Strategy and how these have formed part of the Local Plan's evidence.	Staffordshire County Council LPSPS289.
M25	46	CP5	<i>4th bullet point:</i> Improving air quality and reducing the impact of travel upon the environment, in particular reducing carbon emissions that contribute to climate change and not contributing to unacceptable air quality levels.	Minor change to clarify policy	Cala Homes: LPSPS359
M26	46	CP5	<i>2nd para:</i> Initiatives related to the improvement of public sustainable transport improvements within the District will be supported, including proposals for:	Minor change to clarify policy	Staffordshire County Council LPSPS287

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
			Improvements to Lichfield Trent Valley station to improve rail connectivity and accessibility , including a new additional parking facility that takes account of existing and future demands and serves the strategic needs relating to the station; Improvements to Lichfield City Station and bus station as part of the Friarsgate redevelopment scheme; Railway facilities and access improvements and enhancements to the environment around our stations to create attractive gateways; Improvements to other rail services as defined in the Infrastructure Delivery Plan;		
M27	46	CP5	<i>Last bullet point relating to sustainable transport improvements:</i> Reducing the relative isolation of rural communities through public transport improvements, improved walking and cycling links and the continued facilitation of community based transport.	Minor change to ensure walking and cycling is recognised.	Staffordshire County Council LPSPS287
M28	47	7.8	<i>Last sentence:</i> In addition The Black Country Core Strategy includes the re-opening of the Walsall-Lichfield rail line within its proposals for the Brownhills Regeneration Corridor, and it is important that this line is safeguarded within Lichfield's Local Plan and that the strategy allows for any opportunities to extend services. This is part of a potentially longer route from Burton on Trent to Stourbridge.	Minor change to provide cross boundary context.	Walsall Council LPSPS319 and 322
M29	47	7.9	With regard to the strategic road network the Highways Agency has undertaken modelling which identifies that mitigation measures will be required for junctions of to consider the impact of growth on the A38 and A5 trunk road network, and developers should carry out further modelling work, in consultation with the Highways Agency, to confirm the extent of the mitigation measures, take account of emerging strategies and/or programmed network improvements. This model based approach considers the levels of growth identified in the Spatial Strategy and is flexible to allow alternative sites/levels of growth to be considered. The outcome of this work will identify junction improvements required, timescales and costs for improvements, which will be fed into the Infrastructure	Minor change to provide further clarity and updated detail and context.	Highways Agency LPSPS539 Staffordshire County Council LPSPS290

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
			Delivery Plan (IDP) that will sit alongside the Local Plan. In terms of the local road network the completion of key infrastructure such as the Lichfield Southern bypass will improve access to new housing and improve the success of city centre regenerations schemes by removing through traffic.		
M30	47	7.10	With regard to the A38, as part of the trunk road network, should be a corridor of movement through the region and discussions with any further modelling work may also require consideration of the outputs from work undertaken by Pell Frischmann and with regard to the A5 the new baseline network post 2014 should include the Government funded 'pinchpoint' scheme at Wall Island. the Highways Agency has identified potential for improvements to increase capacity. Further work has also been carried out to assess the A5 corridor to identify key improvements to the trunk road network to ensure it continues to function and promote more sustainable forms of travel within the A5 corridor.		Highways Agency LPSPS539
M31	48	ST1	<i>New list item (between list items 3 & 4):</i> Requiring Transport Assessments for all developments that are likely to have significant transport implications, to determine measures required on the surrounding highway network and ensure necessary access by all modes of transport;	To clarify the role of transport assessments required on developments which will have an impact on the highways network.	Staffordshire County Council LPSPS304
Chapter 8: Homes for the Future					
M32	51	CP6	2nd para: In addition to identified deliverable and developable sites within the rural area, the District Council proposes to apportion an additional 320 440 properties between the Key Rural Settlements of Alrewas, Armitage with Handsacre, Fazeley, Shenstone and Whittington.	Minor change for consistency with table 8.1	Fradley West consortium LPSPS726
M32a	51	CP6	Broad Development Locations Table, 2nd column 'Number of Homes:' 1000 (50% to meet needs arising within Tamworth Borough). 1,000 (500 to meet needs arising within Tamworth Borough)	To reflect the agreed revisions (hearing sessions)	North of Tamworth Matter Friday 28 th June
M33	52	8.3	In the three five years to 1st April 2012 2013 we have delivered 892 1,131 net new homes within the District at an average rate of	Minor change: there are five years between the start of	Fradley West consortium LPSPS626

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
			223 226 dwellings per year. In addition the District Council has identified sites within existing urban areas that could potentially deliver approximately 4,500 1,600 homes within the next 5 years and 4,350 1,400 homes thereafter, on a range of previously developed and previously undeveloped sites within settlement boundaries. This leaves around 4,600 5,900 homes left to identify new sites for.	the plan period and 1st April 2013. Change proposed to include latest available housing completion figures.	
M33a	55	H2	<i>5th para:</i> A flexible approach.....subject to an open book approach by developers. Where the flexible approach cannot deliver a viable scheme due to site specific exceptional circumstances, reconsideration of the percentage of affordable housing to be delivered will be undertaken on a scheme by scheme basis.	To reflect the agreed revisions (hearing sessions)	Hearing: Matter 7 Affordable housing
M33b	57	H3	<i>1st para, 1st sentence:</i> Where a need is identified, Sites for Gypsies and Travellers and Travelling Showpeople will be allocated within the Local Plan: Allocations document.	To reflect the agreed revisions (hearing sessions)	Derbyshire Gypsy Liaison Group and LDC Matter 8
M34	57	H3	<i>1st para, 2nd sentence:</i> The location of residential and transit sites, in allocating sites and determining planning applications , will be informed by the criteria set out below having regard to other Local Plan policies:	Minor change: for clarity	Derbyshire Gypsy Liaison Group LPSPS427
M35	57	H3	<i>Last para:</i> Applications for new sites and refurbishment of existing sites must meet have regard to the design guidelines detailed in National Guidance.	Minor change: recognise that guidance may not provide the best layout solution in all cases.	Derbyshire Gypsy Liaison Group LPSPS427
M36	58	Evidence base	<i>Add hyperlink to the West Midlands Farmsteads and Landscapes Project and add in full name of project</i>	Typo	Lichfield District Council
Chapter 7: Economic Development and Enterprise					
M37	59	CP7	<i>1st para and 1st bullet point:</i> Employment growth will be supported, creating between 7,310 and 9,000 additional jobs to achieve a job balance ratio. (<i>Footnote xxx:</i> The job balance ratio is the number of jobs in the District divided by the number of economically active residents of 85% by 20289). To achieve contribute to achieving this, the following measures will take place:	Minor change: To clarify that it is not just the allocation of 79.1 hectares of land on its own that will deliver the employment growth referred to in this policy and to clarify 'employment uses'.	Walsall Council LPSPS219 and LPSPS323

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
			79.1 hectares of land will be allocated for employment uses (Footnote - Use Classes B1, 2 and 8. For class B1 (a) offices, regard must be had to policy CP8 (Our Centres)) ...		
M38	59-60	CP7	<i>4th bullet point, 2nd sentence:</i> These jobs will retain and enhance local skills; and developers will be encouraged to need to demonstrate how they will work with local economic partnerships in maximising promoting opportunities for employing local people and developing supporting the development of skills in the District.	Minor change to provide a positive flexible approach in line with the NPPF	Lichfield Civic society LPSPS453
M39	60	CP7	<i>Last para:</i> Proposals for economic development and diversification of the rural economy including the re-use of rural buildings will be supported where they do not conflict with other Local Plan Policies.	Minor change to prevent misinterpretation of the policy as being primarily focused upon rural buildings - the policy is intended to flexibly cover a whole range of rural economic issues but appears to have been misinterpreted through representations	Lichfield District Council response to National Forest Company rep LPSPS219
M40	60	9.3	The portfolio of existing and proposed employment sites as set out in the Employment Land Review provides a good mix...	Minor change – for clarity	Lichfield District Council
M41	61	9.13	<i>2nd sentence:</i> Home-working and other proposals which aim to diversify the rural economy will generally be supported in line with the National Planning Policy Framework. This is explored further in the Rural Development SPD.	Minor change – to signpost to further information.	English Heritage LPSPS915
M42	62	CP8	<i>1st para, 1st sentence:</i> Development proposals for retail, leisure, office and cultural facilities will be focused within the commercial centres of Burntwood and Lichfield City in line with the Hierarchy of Centres set out below, having regard to centres outside the District.	Minor change, to provide broader cross boundary context	Walsall Council LPSPS316
M43	62	CP8	<i>Last paragraph on page 62:</i> Improvements to the accessibility of centres will be supported, especially sustainable means of transport together with improvements to traffic management within the urban areas our settlements.	Minor change – for clarity	Staffordshire County Council LPSPS288
M44	63	9.20	The hierarchy of centres gives guidance on how the centres	Minor change, to provide	Walsall Council

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
			within the District should meet the needs of their respective catchments and provide local services and facilities in a sustainable way, having regard to centres outside the District.	broader cross boundary context	LPSPS316
M45	63	CP9	<i>1st para:</i> The District Council will support the growth of sustainable tourism in the District in line with the principles of Core Policy 3 and where this does not conflict with other Core Policies. As part of this promote Lichfield City will be promoted as a centre to access tourist attractions across the District.	Minor change for clarity	Walsall Council LPSPS346
M46	64	CP9	<i>2nd para:</i> The existing local and national tourism attractions in the District, including those in Lichfield City Centre, the National Memorial Arboretum, Drayton Manor Theme Park, Chasewater Country Park, Cannock Chase Area of Outstanding Natural Beauty (AONB), National and Community Forest the National Forest and the Forest of Mercia....	Minor change for clarity	The National Forest Company LPSPS22
M46a	65	Para 9.32	The positive contributions the restoration of the route for a restored Lichfield Canal and heritage towpath trail would make to tourism, recreation and the creation of a green corridor are also supported by the District Council. Connection of the Lichfield Canal to the wider canal network would be subject to a detailed water study demonstrating an adequate water supply can be provided to support its use and an assessment which demonstrates there will be no significant impact upon the Cannock Extension Canal SAC or on the functions and ecology of the wider canal network. Collaborative working with the relevant local planning authorities, Environment Agency, Canal and River Trust and Natural England is proposed on these matters.	To reflect the agreed revisions	MMI-40 Lichfield District Council Matter 1 Hearing Statement and MMI38 Matter 1 (iv) Walsall Council. Proposed Modifications agreed with Lichfield District Council, Walsall Council, LHCRT, CRT, Environment Agency, Natural England
Chapter 10: Healthy & Safe Communities					
M47	68	CP10	<i>1st para onwards:</i> The District Council will ensure that community infrastructure needs generated by new residential, commercial and industrial developments, such as open space, walk and cycle ways, sport, recreation, children's play and civic and community spaces are provided in a way that best meets the	Minor change to clarify and recognise the role of walking, cycling and multifunctional greenspaces, and to cross reference with	The National Forest Company LPSPS222, Sport England LPSPS162. Natural England Statement of

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
			<p>needs of those new communities.</p> <p>The District Council will seek to preserve and improve footpath and cycle connections between urban areas and the countryside. New developments will be expected to include multi-functional greenspaces in accordance with Policy NR6 which connect the development to the wider rights of way network and areas of accessible countryside.</p> <p>The loss of existing recreational open spaces (both extent and quality), including linear recreational routes will be resisted where it can be shown there is an existing or future need unless it can be clearly demonstrated that alternative spaces of an equivalent or a higher standard are being provided in a location which is equivalent or better, improves access and results in no loss of amenity or environmental quality or quantity. Where such spaces, routes and/or facilities are lost any replacement must be made available prior to the loss of the original facility.</p>	Natural Resources policy. Minor change to clarify and strengthen policy in terms of loss of recreational open space.	Common Ground
M48	68	10.2	<p><i>1st and 2nd sentences:</i> The Local Plan can help people to lead healthier lifestyles in many different ways. The availability of a variety of good quality and accessible community infrastructure such as open spaces, walkways and cycleways, sports and recreation facilities and cultural assets is vital to enabling peoples' continued and improved health and wellbeing and will be safeguarded.</p>	Minor change to reflect the importance of protecting a variety of good quality and accessible community infrastructure such as open spaces, walkways and cycleways, sports and recreation facilities and cultural assets.	Natural England Statement of Common Ground
M49	69	CP11	<p><i>6th para:</i> Support will be given to the provision of new playing fields, tennis courts and bowling greens where this accords with the playing pitch, tennis and bowls strategy and/or the wishes of the local community and where this does not conflict with other policies in this document.</p>	Minor change to give the document its full name.	Lichfield District Council
M50	70	CP11	<p><i>2nd para:</i> The loss of existing facilities and assets (both extent and quality), including playing pitches fields, tennis courts, bowling greens, indoor sports facilities and range of open spaces will be resisted where it can be shown there is an existing or future need unless it can be clearly demonstrated that alternative facilities of an equivalent or better standard in terms of</p>	To clarify and strengthen policy	Sport England LPSPS140 and 163

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
			quantity a higher standard are being provided in a location which is equivalent or better, improves access and results in no loss of amenity or environmental quality. Where such spaces and/or facilities are lost any replacement must be made available prior to the loss of the original facility.		
M51	70	10.9	<i>1st sentence:</i> An outdoor playing pitch, tennis and bowls strategy was completed in 2012.	Minor change to give the document its full name.	Lichfield District Council
M52	70	10.10	<i>1st sentence:</i> There is also locally evidenced latent demand for tennis provision in particular parishes as detailed in the Playing Pitch, Tennis and Bowls Strategy.	Minor change to give the document its full name.	Lichfield District Council
M53	71	10.14	In addition to indoor sports and outdoor sports pitches there are several other important sporting venues such as Chasewater (sailing and water skiing) and Curborough Sprint Course (motor racing and cycling). These and other facilities are also important resources that contribute to varied portfolio of activities and their importance must be recognised not just in relation to Lichfield District but also to the wider area beyond and their role safeguarded.	Minor change to show wider context and the significance of such sites in a cross-boundary context.	Walsall Council LPSPS318
M54	71	CP12	<i>2nd para:</i> New proposals which provide additional art and cultural assets, including public art, or which result in a positive contribution to the overall art and cultural portfolio will be supported where appropriate, particularly in areas where a shortfall has been identified and this will be considered in conjunction with Core Policy 8.	Minor change to add clarity.	Walsall Council LPSPS318
M55	72	10.20	The consideration of cultural assets, facilities and opportunities is a wide ranging issue, and for this reason this policy needs to be cross referenced to other policies relating to infrastructure provision, centres , tourism, natural resources and the built environment which directly reflect local distinctiveness.	Minor change to add clarity.	Walsall Council LPSPS318
M56	75	HSC2	<i>1st para:</i> The loss of playing fields pitches and sports facilities will be resisted from loss or displacement to other uses where there is an identified existing and future need. Loss will only be acceptable where it can be clearly demonstrated that alternative compensatory facilities are of at least an equal or higher standard i.e. the loss resulting from the proposed development	Minor change to add clarity	Sport England LPSPS140

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
			would be replaced by equivalent or better provision in terms of quantity and quality in a suitable location and are provided in accordance with national governing body technical guidance and Sport England design guidance notes .		
M57	75	HSC2	<i>3rd para onwards:</i> Where such facilities are lost, an a replacement must be constructed and available for use prior to the loss of the original facility. Disposal of playing pitch field sites will only be permitted where there is an identified surplus now and in relation to future need as defined by the Playing Pitch, Tennis and Bowls Strategy. The development of new playing fields will be supported where there is an identified and unmet demand in accordance with the Playing Pitch, Tennis and Bowls Strategy. The improvement of existing playing fields which are at capacity will be supported where there is an identified and unmet demand in accordance with the Playing Pitch Tennis and Bowls Strategy. All new Strategic Development Allocations will provide playing pitch field facilities at a minimum level of 1.23ha per 1,000 population including around 200m ² for changing and pavilion space and 0.025ha for parking.	Minor change to add clarity and to give document its full name.	Sport England LPSPS140 and LDC
M58	77	Evidence base	Playing Pitch, Tennis and Bowls Strategy February 2012	Minor change to give document its full name.	Lichfield District Council
Chapter 11: Natural Resources					
M59	79	11.5	<i>Last sentence:</i> Staffordshire County Council is the minerals planning authority and has commenced the preparation of the Mineral Core Strategy and. The Staffordshire and Stoke on Trent Joint Waste Core Strategy that that will form part of the Local Plan 2010-2026 was adopted in March 2013.	Minor change - update	Lichfield District Council
M59a	79	CP13	<i>3rd para:</i>the opportunities provided within the Cannock Chase Area of Outstanding Natural Beauty, the National Forest, the Forest of Mercia, the Central Rivers Initiative, the River Tame Management Strategy and the project associated with the restoration of the Lichfield Canal '. Chapter 15: North of Tamworth					
M85	116	Policy: North of Tamworth	<i>Last para:</i> The development shall cause no coalescence with Wigginton village and shall not commence no earlier than 2024 or prior to essential infrastructure being delivered at an appropriate stage within Tamworth Borough.	Minor change to reflect masterplanning and delivery work in conjunction with Tamworth Borough.	Lichfield District Council
M85c	115	15.3however the phasing of any release for housing is important as it will be dependent on the delivery of necessary housing and infrastructure within Tamworth Borough.	To reflect the agreed revisions (hearing sessions)	North of Tamworth Matter Friday 28 th June
Chapter 17: Rural					
M86	123	17.8	<i>2nd sentence:</i> ...whilst maintaining and its separation from the other nearby settlements of Lichfield and Alrewas.	Typo	Lichfield District Council
M87	127	Vision for Alrewas	<i>2nd para, last sentence:</i> This includes opportunities to strengthen links between the village and the National Memorial Arboretum, the Trent and Mersey Canal, and the Central Rivers Initiative and promote the village as a gateway to the National Forest.	Minor change to recognise the role of the National Forest in line with the other initiatives mentioned.	National Forest Company LPSPS202
M88	128	Policy Alr 1	<i>3rd para:</i> Projects which will enable safe and sustainable	Minor change:	LDC and National

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
			pedestrian and cycle access from the village across the A38 to the National Memorial Arboretum, and which will also improve connectivity within the National Forest...	The original text gives the wrong impression that the National Forest begins on the opposite side of the A38 to Alrewas village - the addition of this text gives more clarity.	Forest Company LPSPS227
M88a	129	Policy ALR2	Last sentence: Playing Pitch, Tennis and Bowls strategy	Correction of reference	Lichfield District Council
M89	128	17.23	The village is bounded by the A38 to the east (providing strong car-borne commuter links to Birmingham, and to Burton on Trent and Derby) and by the A513 to the south. The A38 creates issues of traffic noise which needs to be reduced where this is possible. Improvements to sustainable transport provision are needed including better traffic management, improved frequency of bus services, and improvements to cycling and pedestrian networks, and potentially the reinstatement of a local rail station on the opposite side of the A38 will be supported as necessary to improve safety and encourage walking, cycling and public transport use.	Minor change to give clarity in terms of deliverability.	Staffordshire County Council LPSPS298
M90	128	17.24	<i>Last sentence:</i> Pedestrian linkages need to could potentially be improved, particularly to the NMA: with a footbridge (accessible to wheelchairs and cyclists) across the A38 to benefit residents and to encourage visitors to the NMA to visit the village.	Minor change to give clarity in terms of deliverability and accessibility.	Staffordshire County Council LPSPS297 (in terms of deliverability – pedestrian links ‘could potentially be improved’); Alrewas Parish Council LPSPS297 (in terms of footbridge accessibility)
M91	129	17.28	<i>Footnote xxxix:</i> Playing Pitch Tennis and Bowls Strategy 2012	Minor change to give the document its full name	Lichfield District Council
M92	130	Policy Alr 3	<i>Last sentence:</i> This includes initiatives which improve tourism links and opportunities, particularly relating to the Trent and Mersey canal, to the Central Rivers Initiative, The National Forest and to the National Memorial Arboretum provided that	Minor change to recognise the role of the National Forest in line with the other initiatives mentioned.	National Forest Company LPSPS228

Modification No.	Document Page no.	Policy / paragraph	Modified text (deleted text shown as struck through, additional text shown in bold and LDC comments <i>in italics</i>)	Reasons for modification	Source of modification (including rep. no .if applicable)
			these do not compromise the character of the village.		
M93	132	17.38	The A513 is the main route through the village and due to the lack of a bypass, experiences significant levels of traffic. Staffordshire County Council have identified the village as a priority locally identified location for pedestrian safety measures. <i>2nd sentence - add as a footnote: Draft Integrated Transport Strategy 2011</i>	Minor change for clarity and consistency	Staffordshire County Council LPSPS291
M94	136	17.54	Sustainable transport improvements are needed. Pedestrian links need to be improved between the different parts of the settlement which in some places are only accessible by walking along the old A5 from one area to another; pedestrian and cycle links to Tamworth also need improvement. Improved pedestrian and cycle links will be supported between the different parts of the settlement and also to Tamworth. Currently linkages are limited and in some parts of the settlement are restricted to the route of the old A5.	Minor change for clarity and consistency: to reflect deliverability issues whilst still retaining local distinctiveness.	Staffordshire County Council LPSPS 292 (with regard to the first part of the amended sentence relating to improved cycling and walking links) and LDC (with regard to the second half of the sentence relating to local distinctiveness).
M95	139	Policy Shen 1	<i>Last para:</i> Measures to manage traffic more effectively and safely in the village, will be supported including traffic calming and additional parking for the station, and improved cycling and walking routes. additional parking and environmental enhancements at the station and improved walking and cycling routes will be supported.	Minor change to have regard to deliverability.	Staffordshire County Council LPSPS303
