

## **WORK PROGRAMME – 5 July 2021**

### **Health and Care Overview and Scrutiny Committee 2021/22**

This document sets out the work programme for the Health and Care Overview and Scrutiny Committee for 2021/22.

The Health and Care Overview and Scrutiny Committee is responsible for:

- Scrutiny of matters relating to the planning, provision and operation of health services in the Authority's area, including public health, in accordance with regulations made under the Health and Social Care Act 2001 and subsequent guidance.
- Scrutiny of the Council's work to achieve its priorities that Staffordshire is a place where people live longer, healthier and fulfilling lives and In Staffordshire's communities people are able to live independent and safe lives, supported where this is required (adults).

#### **Link to Council's Strategic Plan Outcomes and Priorities**

- Inspire healthy, independent living
- Support more families and children to look after themselves, stay safe and well

We review our work programme from time to time. Sometimes we change it - if something comes up during the year that we think we should investigate as a priority. Our work results in recommendations for NHS organisations in the county, the County Council and sometimes other organisations about how what they do can be improved, for the benefit of the people and communities of Staffordshire.

#### **Councillor Jeremy Pert**

#### **Chairman of the Health and Care Overview and Scrutiny Committee**

If you would like to know more about our work programme, please get in touch with Jonathan Lindop, Scrutiny and Support Officer on [Deborah.breedon@staffordshire.gov.uk](mailto:Deborah.breedon@staffordshire.gov.uk)

In Staffordshire, the arrangements for health scrutiny have been set up to include the county's eight District and Borough Councils. The Healthy Staffordshire Select Committee is made up of elected County Councillors and one Councillor from each District or Borough Council. In turn, one County Councillor from the Committee sits on each District or Borough Council overview and scrutiny committee dealing with health scrutiny. The Healthy Staffordshire Select Committee concentrates on scrutinising health matters that concern the whole or large parts of the county. The District and Borough Council committees focus on scrutinising health matters of local concern within their area.
