DECISION

The Licensing Sub Committee resolved to grant the application in its entirety.

REASONS FOR DECISION

This is a hearing of the Lichfield District Council Licensing Sub-Committee for an application for a Premises Licence.

The hearing concerns an application for a Premises Licence of the **Mercian Snacks Ltd 171 Sutton Road Mile Oak Tamworth Staffordshire B78 3PF** (“the Premises”).

One representation had been received based on two licensing objectives that of public safety and public nuisance.

The Applicant confirmed from the outset that the application related to online sales of alcohol only and that the alcohol sold would be collected from the wholesaler and delivered to the customer. The service of collections and deliveries of the gift boxes would solely be undertaken by Royal Mail and not by a third-party courier company. Royal Mail would, therefore, undertake the verification checks and refusals in relation to

the purchases made under its contract with the applicant. As such, there would be no collections or deliveries at the Premises. In addition, Royal Mail would undertake collections and deliveries in line with its usual working pattern hence there will not be any collections or deliveries on a Sunday or on a bank holiday.

Upon hearing the above, the objector withdrew the representation made and the application was granted.

Right of Appeal

All parties are reminded that under the provisions contained within Schedule 5 of the Licensing Act 2003, there is the right of appeal against the decision of the Licensing Authority to the Magistrates Court, such an appeal is to be made within twenty-one days of the date of the notification of the decision.
