

Risk Management

Cabinet Member for Finance & Commissioning

Date: 2 February 2023

Agenda Item:

Contact Officer: Andrew Wood

Tel Number: 01543 308030

Email: andrew.wood@lichfielddc.gov.uk

Key Decision? No

Local Ward Members Full Council

Audit and Member Standards Committee

1. Executive Summary

- 1.1 To provide the Committee with their routine risk management update.

2. Recommendations

- 2.1 That Members note the risk management update and receive assurance on actions taking place to manage the Council's most significant risks.

3. Background

- 3.1 The purpose of risk management is to effectively manage potential opportunities and threats to the Council achieving its objectives. Part of the Audit & Member Standards Committee's terms of reference is 'to monitor the effectiveness of the Council's risk management arrangements, including the actions taken to manage risks and to receive regular reports on risk management'. This report supports the Committee in achieving this objective.
- 3.2 The strategic risk register is produced by assessing the risk factors that could potentially impact on the Council's ability to deliver its strategic plan. This assessment ensures that there are the right measures in place to control the potential risks to our business objectives. Risks are assessed based on their likelihood of occurrence and their potential impact. Each of these are rated on a scale of 1 (Low), 2 (Medium), 3 (Significant) and 4 (High). By multiplying the two scores together, each risk receives a score.
- 3.3 The Strategic Risk Register was considered by Leadership Team on 18 January 2023 and is detailed at **Appendix 1** The key changes since the Committee's last risk update (November 2022) are:
- **SR1** (Pressures on the availability of finance may mean the Council is not able to deliver the key priorities of the strategic plan). The risk has been regularly reviewed by Leadership Team and in January 2023 it was agreed to lower the current score from 9 (L3xI3) to 3 (L3xI1). The reduction of the score is due to the confirmation of the financial settlement for 2023/24 and the principles being set for 2024/25. Additionally this has allowed the Council to put forward a balanced budget for the next 2 years.

This risk previously was the only strategic risk that was above the Council's risk appetite. However, over time and in response to funding settlements this migrates the Council's risk and brought this below the risk appetite threshold.

- **SR2** (Resilience of teams to effectively respond to a further serious disruption to services). Leadership Team have continued to monitor this risk on a monthly basis and it was agreed that due to the ongoing resilience framework and business continuity arrangements it was agreed lower the current score from 6 (L2xI3) to 3 (L1xI3). This risk continues to be monitored in relation to teams being able to react and manage ongoing service delivery.
- **SR7** (Threat to the Council's ICT systems of a cyber-attack). This risk has been re-evaluated due to the current geopolitical situation and the perceived risks from 'state' players in this area and the impacts encountered by the Council. Leadership Team continue to monitor both external information received and compare this to the affects which are impacting on the council's services. To date there have been no recorded incidents of Lichfield District Council specific cyberattacks. However the Council and Leadership Team continually review the situation and adjust the scoring and mitigating, as appropriate, to protect council assets and continued service delivery.
- Updates to mitigating controls, actions and lines of assurance have been updated on the Register where applicable.
- 'Other Horizon Scanning Risks Arising at January 2023' (at the end of the register) are risks which are not strategic risks currently, but that need a 'watching brief' have been reviewed and updated. There were a number of changes since the last risk update in November within the Horizon Scanning risks. This involved the inclusion of;
 - potential increases in fuel duty from 1 April 2023,
 - pEPR requirements around the recycling of packaging,
 - planning fees (self-funding potential opportunity),
 - LATCO review of governance arrangements and structures, and
 - Arrangements for 'blanket' legislative changes in December 2023 following Brexit withdrawal.

All changes have been highlighted on the Strategic Risk Register at **Appendix 1**.

3.5 The Council's 6 strategic risks as at November 2022 the risk profile of strategic risks of the Council is shown below:

likelihood				
			SR1	
		SR3	SR2,	SR7
			SR4, SR5	
Impact				

To provide clarity over the changes since November 2022 the table below shows the scoring of the 6 current strategic risks as at January 2023 with SR6 now removed (existing numbering of remaining strategic risks will be retained) and are shown below:

likelihood				
		SR3		SR7
			SR1, SR2, SR4, SR5	
Impact				

The overall aim to reduce the current scores by the use of mitigating control and robust management processes, progress has been made since the last Audit & Member Standards Committee meeting and strategic risks will continue to be reported quarterly.

- **SR1:** Pressures on the availability of finance may mean the Council is not able to deliver the key priorities of the strategic plan.
- **SR2:** Resilience of teams to effectively respond to a further serious disruption to services.
- **SR3:** Capacity and capability to deliver / adapt the new strategic plan to emerging landscape.
- **SR4:** Failure to meet governance and / or statutory obligations e.g. breach of the law.
- **SR5:** Failure to adequately respond to the wider socio-economic environment over which the Council may have little control, but which may impact on the growth and prosperity of the local area.
- **SR7:** Threat to the Council's ICT systems of a cyber-attack.

3.6 Work to review of the effectiveness of our sub strategic (service / operational) and project risk has now been completed. In summary:

- The 3 lines of assurance approach (as used in the Strategic Risk Register) has now been adopted for sub-strategic risks (i.e. service level risks).
- Quarterly update meetings have been scheduled with Leadership Team and Audit Manager (Shared Service).
- There is no longer a requirement to record and manage risks below service level (services or teams are, however, at liberty to do so if it meets their business requirement).
- Project risks continue to be managed in accordance with accepted project methodology (i.e. PRINCE2).
- At this stage, no sub strategic risks need to be escalated to the strategic risk register

Alternative Options	There are no alternative options.
Consultation	Leadership Team receive monthly updates on Strategic Risk Register
Financial Implications	Risk management processes consider value for money at all times of the process. Failure to manage risks could lead to the Council being faced with costs that could impact on its ability to achieve its objectives.

Approved by Section 151 Officer	Yes
Legal Implications	None identified.
Approved by Monitoring Officer	Approved
Contribution to the Delivery of the Strategic Plan	Sound risk management ensures that risks affecting the delivery of the strategic plan are identified and managed.
Equality, Diversity and Human Rights Implications	Sound risk management ensuring a consistent and robust approach all equality, diversity and human rights issues and their implications to the Council.
Crime & Safety Issues	None.
Environmental Impact	Risk arising from climate change and the green agenda are considered by management and Leadership Team.
GDPR/Privacy Impact Assessment	Risks associated with non-compliance with GDPR are included within SR4: Failure to meet governance and / or statutory obligations e.g., breach of law (e.g., Health & Safety, GDPR, procurement, Safeguarding).

	Risk Description & Risk Owner	Original Score (RYG)	How We Manage It	Current Score (RYG)
A	Failure to manage known risks and opportunities proactively. Leadership Team	Likelihood: Green Impact: Red Severity: Red	Strategic risks are closely monitored by the Audit & Member Standards Committee, Cabinet Member and Leadership Team. Reports to Audit & Member Standards Committee provide assurance that active steps are being taken to control risks.	Likelihood: Green Impact: Yellow Severity: Green
