Hello Bertie

My understanding is that Environmental Health are of the opinion that reshaping will not address their noise concerns.

The objection notice will therefore be determined at a hearing, unless of course your temporary event notice is withdrawn.

Kind regards

Tracy

Good afternoon Tracy,

Thank you for your email making us aware of the procedure.

I was wondering whether or not it might be possible to organise a meeting with all of you to discuss this further as we believe we have worked hard to reshape the site to accommodate concerns.

Kind Regards

Tracy
