Good morning Bertie

As you are aware Environmental Health have objected to your Temporary Event Notice, for an Event 27 – 30 July 2023, on the grounds of public nuisance.

When an objection is received the licensing authority must hold a hearing to consider the objection notice, unless all parties agree the hearing is unnecessary.

Colleagues in the Governance team will contact you with details.

Meanwhile, if you have any questions, please contact the licensing team.

Kind regards

*Tracy*
