Good afternoon

Thank you for your email.

I would advise that for your representation to be valid, you must provide your name and address.

I have attached an objector form to assist, should you wish to use it.

When there are any representations received the Licensing Act 2003 regulations require that a hearing shall take place to which any person who has made representations and the applicant will be invited to attend. The hearing will normally take the form of a discussion and will be led by the licensing authority, which will consist of three elected councillors who will form the Licensing and Consents Appeals Committee.

Prior to the hearing the details of any representations, including name and address, will be published in the report available to the Committee, the licence applicant and any other person who has made a representation. Only in exceptional circumstances would we consider withholding personal details – please contact us if you wish to discuss this.

Kind regards

Tracy

I wish to inform you crooked house should never be held in beacon park far to close to properties, I live immediately backing onto the park, before I go further I love all the other events you do not buy a house by the park not to have events .

However crooked house is so loud even one of the djs who parked outside my house in his words blimey that's far too loud it's not on .even friends could hear it in burnt wood ,with doors and windows closed the house is vibrating with the noise .

And they start practice mid week with the banging music ,then we endure 11am till 11 pm ,then when walking on the site the debris incudes signs of drugs ,and how their ears stand it health and safety they'll all need hearing aids to be subjected to the intense noise relentless ,so please do not allow this to carry on perhaps the site on Cannock chase is just the place ,not in the middle of a residential area .

Ever hopeful
Kind regards
