Link to Council's Strategic Plan Outcomes and Priorities

- Inspire healthy, independent living
- Support more families and children to look after themselves, stay safe and well

We review our work programme at every meeting. Our focus in scrutiny is on tangible outcomes for the residents of Staffordshire, to use the data provided and members experience to debate and question the evidence, to provide assurance in what is being done and reassurance that matters within the health and care system are moving in the right direction. Scrutiny of an issue may result in recommendations for NHS organisations in the county, the County Council and for other organisations.
