NOTES

Note 1 – Offences that may be dealt with by way of imposing a financial penalty

The starting point for a financial penalty is based on the number of previous convictions or imposition of a financial penalty for the same type of offence in the previous four years.

After the starting point has been determined, relevant Premiums are added to the starting amount to determine the full financial penalty to be imposed

No single financial penalty may be over £30,000. Where the addition of all relevant premiums would put the penalty above the maximum, it shall be capped at £30,000

Note 2 - 2nd subsequent offence by same person/company

The Council will take into account any such convictions or financial penalties irrespective of the locality to which the offence relates.

Note 3 - Large housing portfolio (10+ units of accommodation)

The premium is applied where the perpetrator has control or manages of 10 or more units of accommodation.

For the purposes of this premium, the definition of a person having control and person managing are as defined by Housing Act 2004 Section 263.

Note 4 - Multiple Category 1 or high Category 2 Hazards

This premium will apply where the failure to comply with the Improvement Notice relates to three or more Category 1 or high scoring Category 2 hazards associated with different building deficiencies. For the avoidance of doubt this means that where two hazards are present but relate to the same property defect, they are counted as one hazard for purposes of this calculation.

For the purpose of this premium, a high scoring category 2 hazard is defined as one scored following the Housing Health and Safety Rating System as “D” or “E”.

Note 5 - Vulnerable occupant and/or significant harm occurred as result of housing conditions

This premium will be applied once if either the property is occupied by a vulnerable person or if significant harm has occurred as a result of the housing conditions.

For purposes of this premium a vulnerable person is defined as someone who forms part of a vulnerable group under Housing Health and Safety Rating System relating to hazards present in the property or an occupant or group of occupants considered by the Council to be at particular risk of harm that the perpetrator ought to have had regard.

For purposes of this premium, significant harm is defined as physical or mental illness or injury that corresponds to one of the four classes of harm under the Housing Health and Safety Rating System Operating Guidance.

At the time of publication this document can be found at www.gov.uk and a summary table is below.

Hazard	Vulnerable age group (age of occupant)
Damp and mould growth	14 and under
Excess Cold	65 or over
Excess Heat	65 or over

Collision and entrapment	under 5 years

Position and operability of amenities etc.	60 or over

Note 6 - Perpetrator demonstrates Income to be less than £440/week

This premium will be applied after all other relevant premiums have been included and if applicable will reduce the overall financial penalty by 50%.

To be applicable, the person served by the Notice of Intent must provide sufficient documented evidence of income.

The figure of £440/week is to be calculated after omission of income tax and national insurance.

The Council reserves the right to request further information to support any financial claim, and where this is incomplete or not sufficiently evidenced may determine that the premium should not be applied.

Note 7 - Previous history of non-compliance with these provisions

This premium is applied where there has been a conviction or imposition of a financial penalty for the same type of offence in the previous four years.

The Council will take into account any such convictions or financial penalties irrespective of the locality to which the offence relates.

Note 8 – Acts or omissions demonstrating high culpability

This premium will be applied where, the person to which the financial penalty applies, acted in a reckless or deliberate manner in not complying with the statutory notice or previous relevant formal advice.
