- (2) If the S106 legal agreement is not signed/completed by the 2 November 2018 or the expiration of any further agreed extension of time, then powers be delegated to officers to refuse planning permission based on the unacceptability of the development without the required contributions and undertakings as outlined in the report.

18/00538/COU – Change of use of public open space to form an increase in the garden area of the adjacent property, including installation of new 2.0m high boundary fence, demolition of existing boundary wall, and installation of new timber gate
14 Bloomsbury Way, Lichfield
For Mr D Cobb

RESOLVED:- That planning permission be **refused** for the following reason:-

The boundary treatment, by virtue of its siting, height and proximity to the public footpath would result in an over-dominant and incongruous form of development which would create an inactive edge directly adjacent a public footpath. Furthermore, it would enclose and narrow the area around the public footpath, detracting from the character and appearance of the area to the detriment of the public amenity. The proposal would therefore be contrary to Core Policy 3 (Delivering Sustainable Development) and Policy BE1 (High Quality Development) of the Lichfield District Local Plan Strategy 2015; the Sustainable Design Supplementary Planning Document and Government Guidance contained in the National Planning Policy Framework (2012).
