

Jigsaw - review summary

Use of Jigsaw – Community advice, support & signposting

Providing locally available general advice, support & signposting was a key objective in continuing to maintain Jigsaw as community Hub.

Figures from Fusion show that in 2018 show that a total of 162 direct visits were made to Jigsaw. This is summarised below:

Information is not available as to whether all these visits were made by residents in the local community although Fusion advise they are from primarily WS12, & WS13 postcodes, with a few WS14 postcodes. Of the drop-ins, a significant proportion of visitors could have potentially been helped by other local businesses or by contacting services direct. However they also reiterate that some residents still like to make face to face enquiries.

Overall these figures represent a significant reduction in reported callers made when the funding agreement was last reviewed in 2015 when it was reported that on average 120 visits were being made per month. A number of factors may have contributed to this including the increased availability of information on-line, the closure of the North Lichfield Initiative and (for some) the ability to access information on a mobile phone

Centre visitors

To supplement the above information a representative of LDC attended the centre on the following dates, to observe the centre in operation and the number of visitors to the centre:

• 19 December 2018

On this date, between 9am-12pm, there were 3 visitors to the centre. They attended for the following reasons:

- 1 person attended to open a credit union account
- 1 person to check the balance of their credit union account
- 1 person to withdraw money from the credit union

There were five volunteers present on this morning – three of these were awaiting an appointment made to open an account but the applicant did not attend the appointment. The remaining two volunteers were managing the front desk and dealing with paperwork.

• 22 January 2018

On this date between 9.30am- 12pm there were 4 visitors to the centre. They attended for the following reasons:

- 2 people attended to withdraw funds from the credit union
- 1 person attended to pay in to their credit union account
- 1 person attended to check the balance of their credit union account

CAB were also holding their drop in session on this morning. They had 1 visitor. There were two volunteers present this morning managing the front desk and dealing with credit union paperwork.

• 23 January 2018

On this date between 9.15am- 12pm there were 3 visitors to the centre. They attended for the following reasons:

- 1 person attended to open a credit union account
- 1 person attended to pay in to their credit union account
- 1 person attended to check the balance of their credit union account

There were two volunteers present on this morning managing the front desk and dealing with credit union paperwork.

Use of Jigsaw- Local meeting place

During the course of the agreement Fusion have made a number of improvements to the premises including improved kitchen facilities, lighting and heating.

There are seven other organisations who use the centre, in addition to the credit union. Assuming that the room could be available for a morning and afternoon session each day Monday-Friday and every Saturday morning, the centre should be available to hire for **561** sessions a year (excluding Christmas week.) As of January 2019 the meeting room is booked for **135** sessions a year meaning that it is utilised for **24%** of the available time.

Latest information provided shows regular user groups of the centre are detailed below:

Day of the week	Morning	Afternoon	Evening
Monday	Credit Union		
	Concern for Palestine (bi-monthly)		
Tuesday	Credit Union	U3A recorder group	
	CAB (twice monthly)	(twice monthly)	
Wednesday	Credit Union		
Thursday	Credit Union		Credit Union Board
	Knit and Knatter (weekly)		meeting (monthly)
Friday	Credit Union		Cllr's surgery (monthly
	French conversation group		from August 2018)
			Police surgery (bi-
			monthly from July
			2018)
Saturday	Credit Union		

There is no regular group on a Wednesday or Saturday. Pro-rata the groups (other than the credit union) use the building approximately 3 sessions per week.

The income from rentals in the period September 2016-2017 is reported as £1,604. Bookings for the calendar year 2018 should produce a rental income of £1,890 per year.

Group	Number of bookings per year	Hours per session	Cos	st per session	Cost per year		
UA3 Recorder	18	2	£	14.00	£	252.00	
Police surgery	3	2	£	14.00	£	42.00	
French	30	2	£	14.00	£	420.00	
Colin Ball surgery	5	2	£	14.00	£	70.00

Knit and Knatter	49	2	£	14.00	£	686.00	
TOTAL	135	14			£	1,890.00	

Clearly local residents can benefit from local surgeries. It is not known the extent to which local residents participate in the groups who regularly meet at Jigsaw.

Feedback from user's group organisers is positive, with the 4 who responded to the survey classifying the facilities as excellent and reporting on the convenience of the location, size of the room and available parking.

Other local facilities

There a number of other community centres and halls within the vicinity. Those within 2 miles are detailed below:

• Curborough Community Centre

There are three meeting rooms available at Curborough Community Centre but the smaller rooms, which are more comparable to the room at the Jigsaw centre are: the Sarah Brogden room – seats up 30 people and costs £13.30 per hour and the Michael Bennett room – seats up to 15 people and costs £10.25 per hour. The smaller room has availability to accommodate all of the current users of the Jigsaw at their current times and days. There is some off road parking at the centre.

Martin Heath Hall

There are two rooms at the hall with a smaller room comparable to the room at the Jigsaw centre available to hire for £9.50 an hour. The centre is well used so individual groups would need to contact the hall with their requirements to assess availability. There is off road parking at the centre.

Leasowe Scout Hall at Giffords Croft

The hall here is larger than the current room at Jigsaw and costs £15 per hour. There is very little availability during the week but there is availability at weekends and on Friday evenings.

• St Chad's Church hall at Giffords Croft

The hall is £16.00 per hour as it can hold 80 people seated. All evenings and weekends are booked but there is some availability during the week. There is also a small meeting room which is available for £5.00 per hour.

Using alternative venues

It would cost £10.25 per hour to rent a similar room to that available at Jigsaw at Curborough Community Centre. Based on the reported usage for 2018, using Curborough community Centre would cost the community groups an additional £1,082.50 in total. In total the room hire would be £2,972.50 per year for the existing groups.

^{*}these groups only began using the premise in July 18. For cost comparison purposes, it is assumed these groups would meet monthly (ClIr Ball) and bi-monthly (Police) for future years.

Volunteering

In funding Jigsaw the council was keen to support volunteering both in terms of maintaining wellbeing and as route to moving into training or employment. Throughout the agreement Jigsaw has relied on volunteers with typically around 25 Fusion Credit Union volunteers, averaging around 71 volunteer hours per week. Prior to the ending of the North Lichfield Initiative their volunteers were also at Jigsaw. In 2018 4 volunteers have gone onto training or employment.
