[Schedule of Modifications to supporting Documents](#)

The following table details the changes which are being made to technical supporting documents following the regulation 19 consultation which took place between January and February 2018.

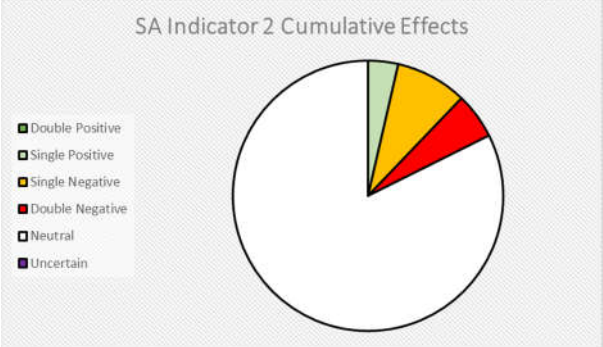

This relates to the following documents:

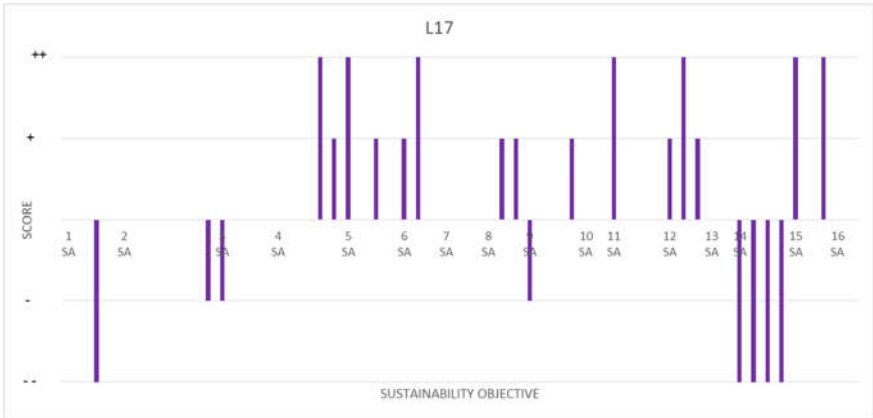

- Sustainability Appraisal None-technical summary;
- Sustainability Appraisal; and
- Infrastructure Delivery Plan (IDP)

Modification Number	Source of Modification	Page number	Proposed change	Reason
<b>Sustainability Appraisal: Non-technical summary</b>				
SAM 1	LDC	2	<p><i>Modify text of introductory paragraphs as follows:</i></p> <p><del>Plan making is now at an advance stage. Consultation (Regulation 19) on the Publication version of the LPA took place in spring 2017.</del></p> <p><del>Since preparing the Regulation 19 consultation (undertaken March – May 2017) there were two significant factors that altered the planning landscape for Lichfield District. The first was receipt of three appeals from the Secretary of State, one of these appeal decisions for 750 dwellings at Land at Watery Lane was approved despite not being in conformity with the Plan. The second factor relates to Governments consultation on the Housing White Paper which inter alia seeks to clarify the national policy position associated with Green Belt. In light of these factors along with significant public objection to release of Green Belt land a review of the housing supply was undertaken.</del></p> <p><del>These amendments have led to further working being completed through the SA process to ensure that a complete picture in regard to effect of the LPA on sustainability has been obtain.</del></p>	To ensure that the document reflects the route that the Lichfield District Local Plan Allocations has taken.

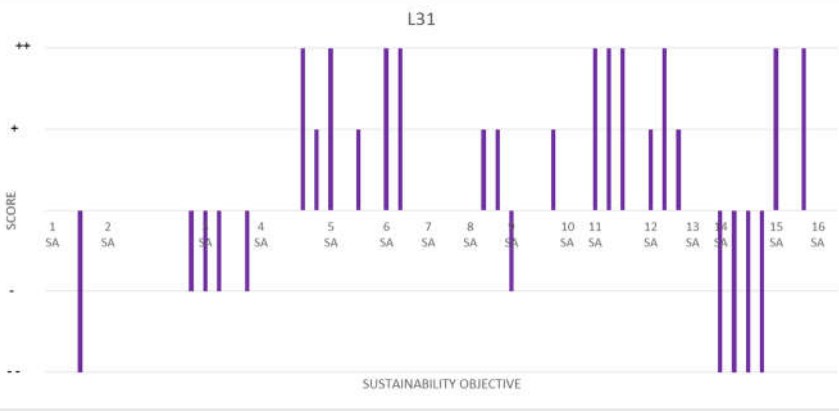

Modification Number	Source of Modification	Page number	Proposed change	Reason
			<p>This report has been produced to meet the reporting requirements of both the Strategic Environmental Assessment and the Sustainability Appraisal processes and will be updated should there be any changes to the LPA as it moves towards adoption.</p> <p>This version of the SA incorporates changes made following Consultation on the Draft LPA Focused Changes document (Regulation 19) consultation which took place between the 8th January 2018 and the 19th February 2018. Just under 300 representation were received in the response to the consultation.</p> <p>This version of the SA builds on changes made following Consultation on the Draft LPA document (Regulation 19) consultation which took place between 20th March 2017 and the 12th May 2017. Approximately 5000 representation were received in the response to the consultation.</p> <p>Between the two Regulation 19 consultations there were two significant factors that altered the planning landscape for Lichfield District and the context of the LPA. The first was receipt of three appeals from the Secretary of State, one of these appeal decisions for 750 dwellings at Land at Watery Lane was approved despite not being in conformity with the Local Plan Strategy. The second factor relates to Governments consultation on the Housing White Paper which inter alia seeks to clarify the national policy position associated with Green Belt</p>
